Payment Information: Please note that all international PT orders must be prepaid before the packets will ship out. This can be done via check, credit card or wire transfer. We do have a \$30 wire transfer fee, should you choose this payment method. This payment policy also applies to any US companies that do not have open terms with us. We do not open terms for PT programs only. Thank you!

Please Note: If a set of results are well outside of historical normal ranges, they will not be used when calculating SD and Mean, but will be included in the report for comparison purposes.

* Portions of the Proficiency Testing Program may be subcontracted out by Auto Technology Company
